Guilt, Condemnation and Fear seems to be the motivating factors that define many Christian’s lives. Guilt, Condemnation and Fear among believers has been passed down from generation to generation because they have been ignorant of the Heart or “Essence” of the Gospel, and for generations people have struggled to believe the truth of the “Almost too Good to be True Gospel” Because of the ignorance and lack of understanding concerning the Heart or “Essence” of the Gospel, very few people know and relate to God the way that He is revealed in the New Testament. ### **Module 7: Essential Truths of the New Testament**

**Instructor: Arthur Meintjes**

**Lessons: 8**

There are many truths in the Bible, but not all the truths in the Bible are essential and foundational. That means that there are many things in the Bible that are extremely interesting but they are not extremely important. There are also many truths that are important, sometimes even extremely valuable, but they are not essential.

The big tragedy is that many times the truths that Christians major on, and build their lives upon, are non-essential or non-foundational truths. It will not necessarily be what you believe about healing or prosperity that will determine whether you will fall or stand when you're sick, or when you're in poverty. It will most probably be what you believe about the essential and foundational truth of the Gospel, because all other truths must be based and founded on this truth in order to work.

It is so tiny that no world map can even squeeze its name on the space allotted it on the layout, yet Israel dominates our evening news every night. How is it that this miniscule blob of color with an arrow from the Mediterranean Sea identifying it as a nation, can so engulf the interest of the total human race that it takes precedence on the front page of almost every newspaper and tabloid? Why can one little country of a few million people tie up the wealth, the foreign policy, and the political movements of the greatest nations on earth? Explore these intriguing ideas and more in this course.

**Module 11: Let Freedom Reign****Instructor: Arthur Meintjes****Lessons: 8**

When we talk about freedom, it means different things to different people. For the majority of believers, freedom in a Christian's life is only achieved through great sacrifice and hard work. When we have sacrificed and labored long and hard enough, we are ultimately rewarded with freedom; freedom from sin or freedom from bondage such as from drugs, alcohol, pornography or whatever we perceive freedom to be. In this teaching we will discover that freedom in the New Testament is a gift. Whenever you study the subject of freedom, as seen in the New Testament, there is a fundamental reality that we must understand about true freedom; in Christ we are all born free.

Essential training on how to pray and minister healing to others. This course is a requirement for students ministering at the Gospel Truth Seminars with Andrew Wommack.

**Module 13: Healing****Instructor: Barry Bennett****Lessons: 8**

The Christian life includes physical health for all who believe. It is as much God's will that we be physically whole as it is that we be born again.

Before anyone can have faith for healing, they must be certain of God's will. Faith cannot go beyond the knowledge of God's will and God's ways in the area of health and healing.

This course will establish principles for health and healing and will explain healing in terms of the spirit, soul and body of man. We will learn what is required of us as faith filled Christians, and what is God's part in the process of receiving health in our bodies.
